

CHAPTER 7

An act to repeal and add Section 4 of Chapter 375 of the Statutes of 1986, relating to the Coast Life Support District, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor February 6, 1988. Filed with
Secretary of State February 8, 1988.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2672, Hauser. Coast Life Support District.

Existing law establishes the Coast Life Support District to provide emergency medical services, including emergency ambulance and life support services and certain other health services to a specified area within Sonoma and Mendocino Counties.

This bill would revise the territory of the district, as specified, and by so doing would impose certain duties on the counties with respect to the operation of the district.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:
