#### **Privilege of the Floor – Public Comment:**

a. Mr. Hembel returned this month to continue dialog regarding the consumer experience of ambulance services and his desire to understand (before calling 911) what fees may be charged. The Board explained there are many variables to each incident (such as: Advanced Life Support vs. Basic Life Support; what procedures, equipment or medicines were used, mileage, etc.) The Board informed Mr. Hembel the law precludes 911 dispatchers and emergency medical personnel from discussing fees with callers. The number one concern is the wellbeing of the patient. In addition, anyone who obtains any type of insurance (e.g., auto, homeowners, health, etc.) should be aware of the deductible amounts they might be responsible for. The Communication Committee will spearhead a review of the website information and make it easier for individuals to find it. We will respond to him prior to the next Board meeting. The Board thanked Mr. Hembel for his perspective. CLSD strives for the utmost transparency on the website to help educate those who may utilize our ambulance services.

## It Takes a Village of Emergency Medical Services

By David Caley

Labor Day Holiday weekend 2017, Kevin McCullough was playing a round of golf with his sons Ryan and Tim at The Sea Ranch Links. On this hot afternoon while driving his golf cart, Kevin suddenly experienced a dull ache in his lower back becoming intense enough it caused him to pass out and fall face down on the cart path. His sons called 911 quickly activating our local area's emergency medical services (EMS) and the personnel who play critical roles in saving lives.

Coast Life Support District with Paramedic Jeff Finck and EMT Ron Miles arrived on scene with First Responders from North Sonoma Coast Fire and Cal Fire. Upon paramedic assessment, Jeff knew that Kevin had a lifethreatening condition that was not related to his fall out of the cart and contusion to his head.

Jeff suspected some type of an abdominal aneurysm (the tearing of a large arterial vessel) and time was of the essence. After a short ride in the ambulance to the RCMS helipad, a REACH helicopter transported Kevin to Memorial Hospital in Santa Rosa. Emergency Room attending Tuck Bierbaum, MD had to revive Kevin after going into cardiac arrest in the ER and then quickly passed him on to vascular surgeon Doug Jicha, MD., for repair of his iliac artery aneurysm.

Kevin was one of six survivors celebrating on May 23<sup>rd</sup>, 2019 at the annual Survivor's Reunion hosted by the Sonoma County Paramedic Association. This event honors the local EMS First Responders in celebration of Emergency Medical Services Week, May 19-25, 2019. The Survivor's Reunion brings patients, their families, their First Responder rescuers, 911 dispatchers, and healthcare providers together again, to celebrate gratitude for second chances.

After ten surgeries since that Labor Day and over 100 units of blood products, Kevin is alive and doing well. Following the ceremony, Kevin walked up to CLSD Paramedic Jeff and stated that "everyone up on the stage just told me I'm here today because you saved my a\*s. You figured out what was happening and called it. Thank you".

We are proud of Jeff and all of our Coast Life Support District employees, as well as the EMS partners we have here on our rural coast. We're here when you need us.

It does indeed take a village.

Hello,

My husband and I were in an accident in Gualala on Friday, June 14, 2019 around 5 pm. Your paramedics Ethan and Evan were the first on the scene. We were both probably in a bit of shock, and they were calming influences for us. We felt cared for. I was grateful (as the driver) that all of us (my husband and me, as well as the other driver) walked away and did not need an ambulance ride to SRMH, but I was also grateful that such competent, thoughtful and compassionate people who have taken us had the need been present. I just wanted to let you know. Thank you.

## **COAST LIFE SUPPORT DISTRICT**

Ambulance & collaborative healthcare services for southern Mendocino and northern Sonoma County coastal communities

### **Billing & Costs**

Costs associated with Emergency Medical Services (EMS) are complicated. Emergency medical technicians, paramedics, 911-dispatch, hospital emergency rooms, medical/nurse advice hotlines, urgent care providers, and primary care doctors are not privy to specific EMS costs nor are they allowed to discuss costs for services with patients.

Please note that a patient's wellbeing is the only concern to our medical personnel in emergency situations. Certified emergency medical technicians and paramedics will assess patients in the field, discuss options, and determine the most appropriate treatment interventions based on protocols established by our Local Emergency Medical Services Agency.

#### **Patient Bills**

Coast Life Support District (CLSD) will bill patients for services received through <u>Wittman Enterprises</u>, <u>Inc.</u>, a specialized ambulance billing company. Costs to a patient depend on many factors such as:

- Advanced Life Support (ALS) vs. Basic Life Support (BLS) services
- Complexity/severity of medical conditions
- · Medications and equipment required for medical stabilization (i.e., oxygen, EKG,

## District Administrator and Operations Manager Report June 2019

#### **District Administrator:**

- Sonoma County Ambulance Ordinance Process continues: There is a new level
  of cooperation of all parties (EMS First Responders, Private Providers, Coastal
  Valleys EMS Agency, County Counsel, etc.). We expect to have a completed
  draft of the ordinance by the end of September, have a comment period of 60days, and finalized by the end of 2019. This timeline meets the request by the
  So Co Board of Supervisors.
- Schwab Investment account opened. Per policy, we are investing in Treasuries earning approximately 2.4% interest.
- GEMT FY16 additional funds of \$10,450 received adjusting for the transports that were covered under the Affordable Care Act.
- GEMT Quality Assurance Fee: The Add-on rate has been revised upward for reimbursement in FY18. We will receive a new net of \$32,757 (previous reported as \$16,221).
- See attached story (submitted to the ICO) regarding the 2019 Sonoma County Paramedic Association Survivor Reunion. CLSD Paramedic Jeff Finck and EMT Ron Miles were honored (as well as all of the first responders and hospital staff) associated with Survivor Kevin McCullough. CLSD Medical Officer Tuck Bierbaum, MD was the attending ER physician that resuscitated Kevin upon arrival in the ER.
- Participated in the interview panel for the replacement of the RCMS CEO position. Doric Jemison-Ball was later appointed by the RCMS Board of Directors on June 11<sup>th</sup>.
- The CLSD winter 2019 EMT class completed the coursework on Saturday June 8<sup>th</sup>. Thank you to instructor Anthony Macedo. All 14 students graduated. They will now be able to sit or the National EMT Registry exam. When asked, about 2/3's of the class indicated they plan to sit for the exam. Thank you to all the First Responders, volunteers and CLSD Board members who participated with the clinical skills exam and/or were mock-patients.
- Submitted a Letter of Support on behalf of Timbercove Fire Protection District in their 10-year pursuit of the installation of cell tower. The project is nearing approval. This will improve cell reception through the area and aid in First Responder communication and connecting the base-hospital.
- Ballot Measure Analysis workgroup has re-convened.
- Communication Committee has begun working on a variety of tasks. Just posted a new "Billing and Costs" tab on the CLSD website.

### **Operations Manager:**

### Deployment / Staffing

• ALS (M-120) staffed 100%

- Second out paramedic staffed all but 2 days in May and continues heavy in June. This will be consistent in FY 20.
- Paramedic Hans Petersen who upgraded to paramedic is fully engaged in a dual medic role with CLSD and is also getting good shifts at Fort Bragg ambulance with good feedback.
- One PT/EMT went on long term disability. Not work related.

#### **Facilities**

- No major issues repairs pending. Good shape heading into FY20.
- Finished some final touches on the training room remodel. New back cabinets.
- 90% of downstairs crew quarters remodel completed. Final touches completing this week.
- June into July will be outside landscape and building maintenance.

#### Vehicles/Equipment

- Vehicles are current with no major repairs pending. As mentioned last month we had some expensive repairs in the last quarter of FY 19. Final invoices are being processed.
- Fourth power gurney due to be shipped any day (tourist grant).
- All equipment and maintenance in good working order.

### **Community events / Training**

- Jeff Finck and Ron Miles were honored during EMS week for their life saving actions related to a patient on the golf course. Jeff Finck attended with David Caley. Ron Miles was unable to attend
- EMT class had skills finals on June 8th. Fourteen students graduated.
- We are scheduling Sea Ranch employees for CPR and First aid. Big group over 3 days.
- Coastal Seniors staff were instructed in CPR and first aid. Approximately 15 staff completed. Per Nancy Gastongauy, Executive Director, "Della and Evan were both wonderful, we had a large group and the feedback was all very positive. In addition, Goldie pointed me to some great resources to help with needs that came to light during the training".
- May was VFD BBQ month and EMS appreciation. Crew thankful for the gift cards.
- More training equipment on order with the tourist grant. We have used our computerized CPR manikins. Working great with much improved instruction
