

Love Your **Community**?

Want to be a **Good Citizen**?

Looking to get involved in **EMS** but don't know where to begin?

# BECOME AN EMT!

## Who:

Not sure if this class is for you? This EMT course:

... fulfills the requirements for a position with a paid fire department (i.e. CalFire, Santa Rosa Fire Department).

... is a great jumping-off point for those interested in medical careers (MD, PA, RN, EMT, et al).

... prepares those who want to aid their community in an emergency or volunteer with local fire departments.

## What:

**In our rural and isolated community, having responders as EMT's can make a life savings difference to our loved ones and friends!** This course will prepare you to provide emergency care for patients of all ages (including preexisting medical conditions or traumatic injuries) in a pre-hospital setting. You'll learn hands-on skills, recognition, interventions, and the application of emergency medical equipment

## When (*Tentative Dates*):

**Mandatory Orientation/Registration Night: Tuesday January 9<sup>th</sup> 6p to 9p**

Course Dates: **January 19<sup>th</sup> through May 18<sup>th</sup> 2024**

Classes: **Beginning January 19<sup>th</sup>, every Friday 6p to 9p and Saturday 9a to 5p**

## Where:

The Bill Platt Training Center in Gualala (attached to the ambulance station)

## How (Much):

\$1500, includes online text platform, study material and shirt.\* (Scholarship/Financial Assistance may be available)

Still not sure? More Questions? Want to register?\*\*:

Contact Dave Crowl, District Administrator of CLSD - [da@clsd.ca.gov](mailto:da@clsd.ca.gov)

\* Course auditing available. First Responder agency reimbursement is determined by each individual agency.

\*\* Course requires a minimum of 10 registrants to take place. Dates, times, and associated costs are subject to change.

**in association with coast life support district & the rural emergency medical services training collaborative**
