

Do you want to help your community by providing support and guidance for emergency healthcare?

Come Join Our Board of Directors!

Coast Life Support District is a California Special District* that provides emergency medical services, training, and urgent care support to our community.

To serve on its Board of Directors, you just have to be a **registered voter** in the District which is from Timber Cove in the south to Irish Beach in the north. Board meetings are the **4th Monday of the month** and usually last one hour.

If you want to help your community by serving on the governing body of Coast Life Support District, please send a brief statement of interest and background by March 27, 2026 to:

EMS Chief Bronwyn Golly
ems.chief@clsd.ca.gov

*What is a “special district”?

A form of local government created to provide specialized services. Coast Life Support District was formed in 1986 through an election and state law to provide public ambulance services to our coastal community.
